

Academic discounts on the #1 bestselling 'Lean Six Sigma and Minitab' Pocket Guide

Introducing our academic discounts:

Our academic discount provides at least a **25% discount** on all orders – **even for just one copy**. The same discount applies to the 'Six Sigma Tool Finder' software.

How to qualify and apply for the academic discount:

To apply, the course director must contact OPEX Resources directly with information about the course title, the number of expected students per year, and a copy of documentation to show that the *Lean Six Sigma and Minitab* pocket guide is on the recommended reading list.

How it works after qualification:

Ordering with the academic discount is easy:

- Go to our online shop at www.opexresources.com/orders
- Select the Academic Discount Orders button (right hand side).
- On the next page, select your university/college from the Academic Discount drop down list.
- Proceed with your order – the discount is applied automatically.

We will provide a PDF document that can be distributed to all students with full details of how to order.
